

All-In-One Risk Management To Protect Your Construction Business

Replace your traditional insurance broker with a best-in-class solution designed for construction companies.

A Risk Management Team

Experts who exclusively work with construction companies.

A Digital Platform

Manage everything in one place (policies, applications, COIs, subcontractor insurance tracking etc).

A Tailored Insurance Program

Designed to protect your business with A-rated carriers.

Meaningful Savings

We've saved clients tens to hundreds of thousands on insurance.

Your Specialized Risk Management Team

Support your business with our team of insurance and risk management experts.

Phil Wilusz
Head of Claims

As our Head of Claims, Phil brings 15+ years of expertise from both sides of the insurance aisle, starting as a nationally recognized policyholder attorney handling multi-million dollar disputes, and most recently serving as AVP at Chubb managing their largest casualty lawsuits across North America. At With Coverage, Phil quarterbackes the claims process for our clients, delivering white-glove support on coverage determination and claims strategy to help drive the best possible outcomes for our clients.

Vin Gandolfo
Risk Team Lead, Construction

Vin brings extensive expertise across the insurance industry, having held multiple leadership roles at Aon. Prior to earning his MBA from Columbia Business School, Vin served as Senior Vice President & Executive Director within Aon's Construction & Infrastructure Practice. During his seven-year tenure, Vin established and managed a specialized team, partnering with contractors, architects, engineers, and real estate developers to develop comprehensive risk mitigation strategies for complex infrastructure projects. Vin also spearheaded client retention initiatives and new business development for Aon's premier Construction clients.

Myles Hilliard
Head of Risk Management

Myles has over 10 years of experience in insurance as a Risk Advisor. He formerly underwrote Product Liability for CPG Brands and Manufactures at Markel (a prominent insurance carrier) and then built an insurance brokerage for high-growth venture backed businesses.

Charlotte Watkins
Lead Risk Advisor

Prior to With Coverage, Charlotte worked at Aon supporting their largest enterprise clients (including publicly traded businesses) as their Go-To Account Manager managing their Risk Management Program.

Your All-In-One Platform For Insurance

Manage every aspect of insurance across locations in one seamless platform
